EDUCATION

More Women in AI

Google for Startups, Madrid (April 2024 - June 2024)

Immersed in generative AI technologies, concluding with a hands-on project demonstrating practical application.

Web Programming Boot Camp

Adalab, Madrid (Jan 2024 - April 2024)

Agile and Scrum frameworks
HTML, CSS, React, Express.js, MySQL, Swagger UI

Master's in English Translation Studies

University of Sarajevo (Oct 2015 - June 2018)

Focused thesis on the nuances of theater translation, blending literary artistry with linguistic accuracy.

Master's in Applied Linguistics and Language Acquisition

University of Barcelona (Oct 2017 - Feb 2018)

Explored advanced theories in language development, contributing to my effective teaching and translation strategies.

EXPERIENCE

- Freelance Translator** Aug 2016 - Present
Specialized in translating children's books from Spanish and a range of literary works from English. Additionally, I have extensive experience translating a variety of documents, including legal, literary, and technical materials, ensuring accuracy and cultural sensitivity across all projects.
- English Teacher @ Beacon Madrid** Sept 2020 - Dec 2023
Implemented innovative digital tools and techniques to enhance language learning experiences, designing interactive and multimedia-rich curriculum to cater to diverse learning styles.
- Project Manager @ War Childhood Museum Sarajevo** Oct 2018 - Oct 2019
Managed the digital archiving of historical documents using Agile practices. I led a team to organize educational events and international examinations and managed the translation of video testimonies, ensuring accuracy and cultural sensitivity.
- Project Assistant @ British Council Sarajevo** Nov 2014 - Oct 2018
Managed numerous educational events and international examinations, utilizing a structured project management approach. Improved communication and operational efficiency by serving as a key coordinator, effectively managing tasks and resolving issues quickly.
